Things to Consider

- Please include necessary copy (text) in a digital format as typing text from handwritten notes will not be accepted.
- Supply all fonts that you prefer to have us use or provide outlined/ vector graphics of the text.
- If you have a brand style guide, sharing it with us will help align the design with your branding.
- Resolution of images should be 150dpi minimum at full print size.
- If providing Illustrator files, please embed any linked images.
- Please provide clear and detailed instructions on how you would like all supplied text and graphics to be used and positioned.
- Providing visual references to support your brief will help us better understand your vision. Please attach any relevant examples.
